

Mattoon Area Family YMCA Summer Camp Handbook 2022

Where you meet
as strangers,
become friends,
and leave as
family!

Welcome to the Mattoon Area Family YMCA Summer Camp!

The YMCA staff is excited to launch another great summer of camp, and we're glad that your child will be a part of the weekly experience. We recognize that when you register your child for camp, you are entrusting the care of your child to our dedicated staff team. We have a mutual investment in making sure that your child's physical, social, and mental well-being is enriched through his or her YMCA camp experience.

Based on decades of camp administration, we know one thing that ensures a safe and memorable summer for all: communication between guardians and staff. Please know that your insights and feedback are welcome and encouraged to make sure the YMCA camp meets you and your child's expectations. Please contact me if you have any questions or concerns.

We have a superb group of camp counselors preparing to work with your child this summer. Our staff is trained in child abuse prevention, CPR, emergency procedures, and basic water safety, all to prepare staff for consistent, quality, and engaging instruction.

This program is not licensed or regulated by DCFS. We are a licensed exempt program. Firearms are prohibited from program premises.

Our Goals

- To provide children with progressive opportunities and activities that are physically and mentally challenging.
- To encourage children to develop skills that will allow them to build positive relationships with others.
- To give children a positive relationship with adult role models.
- To provide opportunities to accept responsibility, develop leadership skills, cultivate a positive self-image, and give service to others.
- To help youth appreciate and respect the earth and understand their responsibility for the stewardship of our global community.

On the following pages, you will find information on key topics that you and your child should review together and acknowledge to prepare for a fantastic summer!

- Understanding of policies and procedures found in this Handbook
- Code of Character Conduct reviewed with child (Page 7)

We will continue to follow the IDPH guidelines for summer camp this year for COVID-19.

We hope your child has a great summer experience!

Sincerely,
Kiyla DeVoss

CAMP OVERVIEW AND ACTIVITIES

Themed Weeks

Each week of camp brings a new and exciting theme that the activities and opportunities will focus around! Please see the attached schedule for a summary of the themes. Updated copies will be provided at camp.

Camp T-Shirts

Each camper will receive a camp shirt (sizes not guaranteed). The only days they are required to wear the camp shirt are on field trip days. Shirt sizes are given on a first-come, first-serve basis.

Water Activities

Swim times will be scheduled almost daily at the YMCA. If your child wishes to partake, they need to bring swimwear and a towel. The Y provides floatation devices. Children cannot use floatation devices from home.

Gardening

Campers have the opportunity to participate in local community gardens through a partnership with a local nonprofit called Fit-2-Serve. Each camp group will visit the garden at least weekly!

Library

We will also head to the Mattoon Public Library weekly! The library has opportunities for education and play. We encourage reading over the summer and provide children the opportunity/time to read.

Spiritual Component

Campers will participate in a Sunday-School style Biblical lesson and activities with partner churches. We strive to teach Christian principles and apply them to our camp.

Parks

Weekly, each group will go to one of our parks! That day, they will spend the morning in the sunshine!

Fitness Classes

The Y is an excellent facility for physical fitness, and we want to encourage that in our campers to promote health! So, classes are offered specifically for our campers and geared towards their age and developmental level.

Field Trips and Special Events

Special activities will be planned throughout camp. It is not necessary to sign an individual slip for every outing. Registration in our camp programs automatically grants permission for attendance on field trips. Make sure your camper wears their camp shirt on the field trips!

Community Partners and Guest Speakers

Our camp has other community partners from those listed that come for special activities and classes! We are grateful for our partners and the opportunities they provide for our youth!

Awards and Recognition

Character awards will be given to campers who display caring, honesty, respect, or responsibility. One camper from each group will be chosen to receive this award as the "Camper of the Day"

YMCA Summer Day Camp Character Code of Conduct Contract

The YMCA Summer Day Camp strives to provide an environment in which children can develop meaningful relationships, acquire new skills, and be engaged in activities that improve their spiritual, physical, and mental well-being. The four pillars of YMCA Character Development are Respect, Responsibility, Caring, and Honesty.

As staff demonstrates these characteristics, we ask that your child honor these important character traits as well by agreeing to the following Character Contract.

Please read through the Character Contract with your child and acknowledge your mutual agreement to the contents of the Character Contract during registration.

Day Camp Character Code of Conduct Contract

My child(ren) and I agree to honor and support the attributes of good character while participating in YMCA Summer Day Camp:

Speak with Respect

I will choose to speak respectfully to and about other campers and staff. I will not have harmful conversations about others, discuss inappropriate topics, or use inappropriate language or gestures.

Listen to Staff

I will honor staff's directions the first time I am asked or told to do something.

Play Fairly

I will play in all activities that I have been given permission to do so and will play fair, following instructions, and respecting others' rights to play. I will not physically hurt or act aggressively towards others. If I need help expressing my feelings with words, I will ask a camp counselor for help and will keep my hands and feet to myself.

Be Accountable

I will remain with my assigned group of fellow campers and counselors at all times to ensure my safety while at the YMCA Summer Camp and during off-site trips.

Be Caring

I will ask permission to use toys, games, and equipment. I will care for these items while I am enjoying them so that my fellow campers can have the same experience. I will help care for the YMCA property by cleaning up after myself and returning toys, games, and equipment to their proper place when I am done enjoying them.
