**** If you have ever used the YMCA for child care, sports, membership, or any programs, you probably have an account so start with the "Find Account" option. If no account is found, "Sign Up" now.**

Children must be registered by a parent or legal guardian for each month planned to attend.

***Child cannot be registered or attend until all outstanding fees from other programs are paid.**

Registration- CampDoc

We use a system called CampDoc for attendance, medication, and registration information. After you register, you will receive an email to set up your child’s profile. This will be sent a few weeks before school starts. If you are registering during the school year, this will be sent as soon as the registration is processed.

You will need to fill out the Health Profile completely, along with the Trusted Contacts section. Trusted contacts should include anyone who can drop off or pick up the child. Include yourself in this section.

If you have used CampDoc for prior registrations, you will just need to update any information that has changed and answer any additional information sections/waivers.

Tax Information

The YMCA encourages you to keep track of your payments. You may need this information for tax information on child care deductions. Our FEIN # is 37-1122559. If you need a tax statement, you must contact the Director.

Leaving the Program

Children may be withdrawn from the program by giving notice. The guardian MUST notify the Director of cancellation and payments for any upcoming months will be stopped. Refunds will not be given for months not cancelled.

Financial Assistance

The YMCA uses Child Care Resource and Referral (CCR&R) as the main source of financial assistance for the Before and After School Programs. CCR&R is a state funded agency that helps families pay for the child care services needed to work.

YMCA financial assistance through scholarship may be used for child care in the event that a family is denied assistance through CCR&R. This financial assistance can also apply to membership rates and other programs such as swimming lessons, basketball, soccer, etc.

If you are interested in financial assistance, please contact the Director.

Early Dismissal Days

The after school program will be held at the elementary schools on preplanned early dismissal days.

Cancellation Due to Weather

The School Age Child Care Program policy on inclement weather days (i.e. snow days) affecting care will be:

- If school is cancelled, the School Age Child Care Program is cancelled.
- If school begins in the morning but ends early due to weather, the School Age Child Care Program will not be in session for After School. Guardians should make arrangements to have their children picked up or ride the bus home.

Breakfast & Snacks

The YMCA will not be providing breakfast to children enrolled in the Before School Program. They may however enroll in the school's breakfast program.

Children will be provided with an afternoon snack during the After School portion of the program. Children with special dietary needs should contact the Director and are able to bring their own snacks.

Dress Code & Belongings

The school's dress code applies to the School Age Child Care Program. Belongings left behind will be placed in the school's "lost and found" unless otherwise communicated by a guardian. The staff and YMCA are not responsible for lost items. Children are NOT allowed to bring toys from home to play with during the program hours.

Medication

For safety reasons, participants should not keep, nor self-administer their medications. Medicine must be in the original bottle and must be dispensed by the staff and will be documented in CampDoc. Please enter medication that is given at home/school as a separate entry from those administered by our program staff.

The only exception to this policy is emergency medications like asthma inhalers, etc. These participants may use their emergency medication as needed, however, the medication/inhaler does need to be listed in CampDoc.

Guardian Involvement

Involvement of guardians in the program is essential. Guardians must cooperate with all policies and procedures.

Guardians are responsible for respecting staff and handling their concerns in a professional manner. Any concerns which you feel need to be further resolved should be referred to the Director.

Emergency Medical Care

The YMCA does not provide insurance in case of an accident. Your child(ren) should be covered under your personal health insurance. If your child needs emergency medical care the staff will take whatever steps may be necessary. These steps may include, but are not limited to, the following:

- Administer emergency first aid.
- Call an ambulance.
- Attempt to contact a guardian or an emergency contact provided.

Discipline

This program has been developed to provide activities that are safe, creative, and fun for youth. No child's behavior will be allowed to interfere with others right to enjoy the program. This includes behavior on the part of a child that interferes with the safety or well-being of himself/herself, or any other person, or behavior that takes a staff member away from the group/activity. Any child who, after attempts have been made to meet the child's individual needs, demonstrates inability to benefit from our program, or whose presence is detrimental to the group, shall be discharged.

Refunds and credits are not given for days suspended. The Director has the authority at any time to permanently suspend a child for the rest of the school year based on behavioral issues.

Termination from School Age Child Care Program

A family's participation in the program may be terminated at any time for the following reasons:

- Failure to pay fees for the program.
- Any child who, after attempts have been made to meet the child's individual needs, demonstrates the inability to benefit from the type of care offered by the program, or whose presence is detrimental to the group.
- Failure by child or guardian to comply with the School Age Child Care Program procedures and policies, or to respect the program staff.
